

EASYTASK® REFILLABLE CLEANING SYSTEM

Finding a pre-moistened wipe with your preferred cleaning solution can be difficult, so why not make your own! Add any cleaning or disinfectant solution to a roll of our solvent resistant spunlace wipers for a durable wet wipe. Clean and disinfect hard non-porous surfaces in one step!

Key Features

- Eliminates cross contamination on surfaces – use a new wipe each time
- System reduces vapors and fumes caused from cleaning/disinfecting solutions
- GrabBox® contains one perforated centerfeed roll in a resealable bag within the portable heavy-duty cardboard box
- Resealable bag keeps wipes moist
- Holds 1/2 gallon (2 quarts) of liquid
- Durable and low lint
- Excellent tear strength
- Solvent resistant

Applications

Hard non-porous surface cleaning in schools, offices, healthcare, restaurants, vehicles, retail, recreation, hospitality, public transportation and any other public areas.

Industries

Healthcare, manufacturing, agriculture, law enforcement, municipalities, food service, government, hospitality and education.

GrabBox® features a **convenient carry handle** for transporting wipes.

Item #	Description	Color	Size	Selling Unit
N-ETA110CZGW	GrabBox Centerfeed Roll in a Bag	White	10" x 12"	200/rl-1rl/bg-1 bg/box

Simply add cleaning or disinfectant solution to the bag inside the GrabBox® to **create your own durable wet wipe.**

Chemical Identification Panel printed on box so you can easily fill-in and identify the solution used to make your pre-moistened wipe.

Note: Please follow the recommended guidelines and kill claims on any chemicals used to make the pre-moistened wipe.
